White Beans and Sautéed Vegetables

- | | |
|-----------------------------|---|
| 2 cans white beans, drained | ½ cup carrot, finely diced |
| 2 tablespoons olive oil | ¼ cup virgin olive oil (to drizzle after beans are dished up) |
| ½ cup yellow onion, chopped | Salt and pepper to taste |
| 2 cloves garlic, minced | |
| ½ cup celery, finely diced | |

Drain the white beans and set aside

Heat olive oil and then add all the prepared vegetables to the pan and sauté until just done.

Add beans and heat thoroughly.

Dish up on serving plates, drizzle with extra virgin olive oil. Salt to taste.

Yield: 4 servings

Tip: It is best to cook with regular old pure olive oil - save the more costly extra virgin oil for salads, drizzling, and dipping. When cooked, extra virgin oil actually turns bitter and the great flavors are cooked away. So use the less expensive pure olive oil for sautéing and frying.

Whole Wheat Tortillas

You can buy 100% whole wheat tortillas, but these are easy to make. Use these tortillas for a veggie wrap or for chips with salsa.

- | | |
|--------------------------|-------------------------|
| 2 cups whole wheat flour | 2 tablespoons olive oil |
| ½ teaspoon salt | ½ cup warm water |

Mix flour and salt in bowl. Add olive oil and stir until well combined. Add warm water 1 tablespoon at a time until the mixture starts to pull away from the sides of the bowl. Knead dough on floured board for about 3 minutes (20 folds). Allow dough to rest for 15 minutes. Roll dough into sausage-shape and then cut into 12 equal parts (cut in half, then in half again, then each part into thirds) and shape into little ball. With a rolling pin, roll each little ball into a tortilla (for best results, roll out from the center and outward). Heat a skillet over medium heat. Fry the tortillas in a dry stick-free pan for about 30 seconds on each side for soft tortillas or longer for crisp tortillas.

Fast Food for the Daniel Fast

Okay, there are going to be times on the Daniel Fast when you need a quick meal. In fact, when you prepare for the Daniel Fast, you'll want to stock up on a few of these items so you have the on hand.

- 1 can organic tomato soup (check the label for ingredients)
- 1 can white beans
- 1 cup mixed vegetables (frozen)
- Season to taste (thyme, mixed Italian, cilantro, parsley, whatever you like)

Add everything to the pan at the same time. Heat until the vegetables are the consistency you like them (usually between 5 and 10 minutes). Serve!

Serves 2-4 depending on size of serving!

Vegetable Stock

A good vegetable stock is useful in the Daniel Fast. Vegetable stock is an excellent substitute for chicken or beef stock.

Makes 4 cups of vegetable stock

- 2 large onions, cut into large chunks
- 2 medium carrots, scrubbed but not peeled, cut into large chunks
- 3 stalks of celery, remove and discard all leaves, cut into large chunks
- 1 whole bulb of garlic, peel each clove, but do not chop
- 1 bay leaf

Cut all the vegetables into large pieces. Place all ingredients into a large pot. Cover with cold water. Turn the stove to a high temperature, and bring the stock to a quick simmer. Once the water comes to boil, turn heat to low. Allow the vegetables to simmer for an hour. Any longer than an hour and the vegetables will begin to turn mushy and begin to lose all their flavorful vibrancy, leaving a wilted taste to the stock.

Strain the stock. It should be light in color, sweet in flavor and translucent. Now you can use the stock in place of chicken or beef stock. You may need to increase seasoning when replacing one of these more flavorful stocks.

** Season the stock with other herbs such as parsley, thyme or rosemary. You can also use ginger if you plan to use the stock for an Asian recipe. You can also caramelize the onions and carrots before adding them to the stock for a richer and more flavorful stock. Roasting the vegetables before adding them to the stock also makes for a different flavor in the stock.
